1. Ramiro Carbajal, from our Honduras staff, has accepted to work with our webmaster, Phill Sandahl, on the development of our Harvestfoundation.org web page. Please send your materials for the web to him, as well as any questions or SUGGESTIONS you have to make this page better for YOU. Email rcarbajalw@hotmail.com.
2. Harvest 2010 Staff Conference has come and gone. There are a number of new items posted reflecting the results of the conference.
 - a. The Staff Conference Packet
 - b. Elly's Report on Networking
 - c. Keith's Report
 - d. Tony Barron materials
 - e. The State of the Harvest Family – PowerPoint Summary
3. There is a new [Newsletter](#) from the Harvest Office.
4. The Thailand office has posted new [photo content](#).
5. The [DONATE page](#) has been changed to include 4 specific projects that need your help.
6. We have a new look. We have changed the "skin" of the Harvest Foundation web page. All the old content is still here and we are adding more content daily. Come back frequently.
7. We have changed the way you register and sign in for the MyHarvest area of the web page. Now you can find the login at the upper right of every page.
8. We continue to add news reports about Haiti which you can find on Where We Serve > Haiti, but we are no longer updating every few days. The country has moved beyond the rescue stage and into the recovery stage where the news is not as frequent. Haiti still needs our prayers.
9. If you have any questions or comments about the web page please contact webmaster@harvestfoundation.org.
